

Focus on Fire & Life Safety

**Welcome to
Campus Fire Forum 2015
Niagara Falls, NY**

Welcome to Niagara Falls

Thanks for joining us!

Campus Fire Forum is the nation's premier Campus Fire Safety Training Event. Our focus is on campus fire & life safety. Our Forum includes a full schedule of community resident (on and off-campus) presentations, tech & technology updates & exhibits, discussion groups and networking events ... all designed to provide you with an unparalleled experience.

The Center for Campus Fire Safety (The Center) is a non-profit, membership based, organization devoted to reducing the loss of life from fire at our nation's campuses. The Center serves as the focal point for the efforts of a number of organizations and also as a clearinghouse for information relating to campus fire and life safety.

Our reach is primarily throughout North America with a quickly growing international membership.

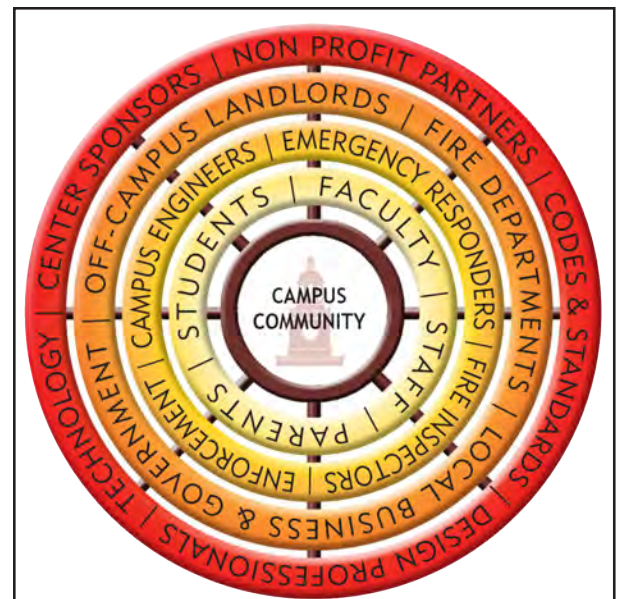

Welcome to our Canadian friends who joined us this year!

The Niagara Falls Convention Center is across the street from the Sheraton at the Falls hotel. Meals are in the Convention Center. The Culinary Institute, where we will have the President's Reception is a block away. The Dorm Room Burn will take place between the hotel and convention center on Old Falls Street ... and the falls are within walking distance!

OVERVIEW OF EVENTS

Keynote ... Tuesday Morning

Tim Vandenbrink, Deputy Fire Chief/Safe City, Spruce Grove Fire Services, Spruce Grove, Alberta Canada

Just Another “BORING” Safety Talk

A highly entertaining Speaker, Tim Vandenbrink addresses audiences across North America. He challenges us to reflect on our attitudes towards fire and life safety. With a healthy dose of humour Tim will take a fun yet meaningful look at some of the truths and myths about fire and life safety. You will walk away with a clear understanding of your responsibility for your own safety, and also realize how you affect the safety of those in the Communities you serve!!

Tim Vandenbrink was a member of Edmonton Fire Rescue Services for 32 years, where he retired as the Assistant Fire Marshal in Fire Prevention. Today Tim is a Deputy Fire Chief for the City of Spruce Grove Fire Services. Throughout his career he has been involved in a number of Safety Organizations such as the Alberta and Edmonton Safety Councils and the Edmonton Safety City Education Society. In addition he was an Education representative for the National Fire Protection Association and also served on the NFPA Education Section Board of Directors.

Tim’s anecdotes and humorous approach to a “sometimes boring” subject have kept him in demand as a keynote speaker at Fire Service, Injury Prevention and Educational Conferences across Canada, the United States and Europe.

President’s Reception ... Tuesday 5:30 - 7:30 PM
Niagara Falls Culinary Institute

SimplexGrinnell

Join us as we network and enjoy food specially prepared by both Students and Faculty. You will also be able to see the kitchens and student training areas. This promises to be a reception to remember.

... and I’ll be there too... along with hundreds of my brothers and sisters. We’re being especially flown in from New England, courtesy of Tyco/SimplexGrinnell. Don’t miss this event!!!!

OVERVIEW OF EVENTS

Mock Dorm Room Burn

Live outdoor burn! The NY State Office of Fire Prevention and Control will host a side by side live dorm room burn showing the difference between a sprinkled and un-sprinkled situation. This demonstration will take place directly outside the convention center on a private street. The demonstration will be built on-site by the NY State OFPC and the Niagara Falls Fire Department. We will be busing in over 60 students from local area colleges.

This special event is being brought to you by our Non-Profit Sponsors/Partners and leaders in our industry:

Town Hall Discussion Group

The idea to hold an open Town Hall discussion Forum was started by The Center in the early 2000's and today has grown to be one of our most popular discussion groups ... to the point that we developed an on-line Town Hall Discussion Forum on our website too.

This is YOUR Center ... and you set the agenda!

Attendees

can share what colleges and universities are doing with their fire management plans, they can share problems and solutions and more. The Center's Board Members will be present to add to the discussion and answer any questions.

Members Annual Meeting and Member Luncheon

Please join us as we welcome all new members, say goodbye to our President, Paul D. Martin who dedicated the last 6 years to our mission and guided us through several new projects and ideas to expand the outreach of "our" Center. We'll also welcome our new President, Michael J. Swain, and Vice President, Janet Maupin... and more.
