OVERVIEW OF EVENTS

Keynote ... Tuesday Morning

We are pleased to welcome Jenn Abelson, Investigative Reporter for the Boston Globe as our Keynote speaker. Jenn was on the team that wrote the three-part series, "Shadow Campus". In May of 2014 The Boston Globe published a very thorough and in-depth look at the off-campus housing issues that are plaguing the neighborhoods that surround Boston's colleges and universities. If you have not yet read this series AND watched the video you need to make a point to do so.

Shadow Campus: <http://www.bostonglobe.com/metro/specials/shadow-campus>

Overcrowded and at risk: a way of life and, sometimes death, for student tenants

President's Reception ... Tuesday 5 - 7 PM Outdoors in Paradise Key

Join us in "Paradise Key" as we relax, network and listen to tropical music from Captain Harry's 4 piece band. And ... we're serving more than a "Cheese Burger in Paradise" ... we're serving both hot and cold hors d'oeuvres, tropical beverages and more!

This event is made possible through the generosity of our friends at Tyco/Simplex Grinnell.

OVERVIEW OF EVENTS

Special Movie Night - New 90 minute version - After the Fire

During their initial debut at our Campus Fire Forum in 2012, Shawn and Alvaro unveiled the newly released 53 minute film “After The Fire”.

NOW ... AT CAMPUS FIRE FORUM 2014 WE WILL UNVEIL THE NEWEST 90 MINUTE VERSION ... This story is of survival, perseverance, inspiration, hope, courage and friendship. Coupled with the personal appearances from Shawn & Alvaro, this is a Movie Night you wont want to miss.

This event is made possible through the generosity of our friends at:

Town Hall Discussion Group

The idea to hold an open Town Hall discussion Forum was started by The Center in the early 2000’s and today has grown to be one of our most popular discussion groups ... to the point that we developed an on-line Town Hall Discussion Forum on our website too.

This is YOUR Center ... and you set the agenda!

Attendees can share what colleges and universities are doing with their fire management plans, they can share problems and solutions and more. The Center’s 11 Board Members will be present to add to the discussion and answer any questions.

Members Annual Meeting and Member Luncheon

Membership in The Center grew considerably this year.

Please join us as we welcome all new members, hear from our President, Paul D. Martin, visit with the Board of Directors, learn about The Center’s Committees Chairs and their activities and vote on any proposed changes to by-laws.

All Members are invited to join us!
