FOUNDATION

## Non-Profit Profile – Live Safe

The Live Safe Foundation is devoted to making fire and life safety education, awareness initiatives and life saving tools available on a broad basis to communities and campuses. The primary goal is to reduce national fire fatalities and fire losses. Live Safe’s mission is to help everyone prepare for, train and improve the effectiveness of saving your life in the event of a fire with the slogan of:

**“Get safe. Stay safe. Live Safe.”**

### Preparedness to Prevention.

Whether providing web-based curriculum, hosting training, delivering fire safety kits, commissioning fire prevention/safety research, or reaching individuals right where they live, work and play—Live Safe seeks to save lives.

### Live Safe Means Peace of Mind.

Heightened awareness, broadly delivered education, and next generation research—all resulting in peace of mind.

The Foundation will on its own and through strategic programmatic partnerships advocate for fire and life safety through:

AWARENESS	RESEARCH	EDUCATION	OUTREACH
prevention	fundraising	training	financial assistance
safety	advocacy	testing	material assistance
events	standards	fire safety kits	medical
social media	catalyst	media	counseling

**A BURNING QUEST FOR KNOWLEDGE SAVES LIVES.**

**GET SAFE. STAY SAFE. LIVE SAFE.**

### **Awareness: Prevention, Safety, Events and Social Media**

Live-Safe.org is a non-profit blog site that invites people to learn more about general fire safety tips and public safety awareness issues. Readers can engage with the site and find an abundance of information ranging from fire safety and equipment maintenance to protocols for specific populated areas. Live-Safe.org takes common misconceptions that people have about fire safety and then trains them on precaution and prevention methods

You can become an important part of Live Safe's mission by becoming a fan at <http://www.live-safe.org/fan/>. Here you can be part of a group of supporters that help to provide services, programs and products that bring the message of Live Safe to people in your community. By being a fan, you can comment on Live Safe's facebook page, join social networks, volunteer time, adopt a family that has dealt with loss from fire, attend events or simply find an abundance of resources.
