Michael Minger Memorial Golf Classic

Michael lost his life in a dormitory arson fire in Murray, Kentucky. He was a fine young man whose dream was to become a sports broadcaster. The Minger family has established a non-profit foundation to address campus fire safety issues to educate parents and students on the importance of fire safety, and to promote the importance of fire sprinklers. Michael's Foundation also addresses nationally the special need of safety for students with disabilities.

Please join us for a fun filled afternoon to help in our mission to raise awareness and make our campus communities a safer place for our future leaders.
